Face à la colère qu'ils ont déchaînée, aucun des deux camps ne sera épargné et tous auront des deuils à porter à l'issue de ce récit. Toujours aussi riche en jeux de mots, en scènes d'action extravagantes et en combats contre des créatures mythologiques, ce tome de Questor va entraîner la série vers des scènes pleines d'émotions avec la disparition de personnages clef de la série...".

Mithridates VI Eupator, the last king of Pontos, was undoubtedly one of the most prominent figures in the late Hellenistic period. Throughout his long reign (120-63 BC), the political and cultural landscape of Asia Minor and the Black Sea area was reshaped along new lines. The authors present new archaeological research and new interpretations of various aspects of Pontic society and its contacts with the Greek world and its eastern neighbours and investigate the background for the expansion of the Pontic Kingdom that eventually led to the confrontation with Rome.

In August 2016 Colten Boushie, a twenty-two-year-old Cree man from Red Pheasant First Nation, was fatally shot on a Saskatchewan farm by white farmer Gerald Stanley. In a trial that bitterly divided Canadians, Stanley was acquitted of both murder and manslaughter by a jury in Battleford with no visible Indigenous representation. In Canadian Justice, Indigenous Injustice Kent Roach critically reconstructs the Gerald Stanley/Colten Boushie case to examine how it may be a miscarriage of justice. Roach provides historical, legal, political, and sociological background to the case including misunderstandings over crime when Treaty 6 was negotiated, the 1885 hanging of eight Indigenous men at Fort Battleford, the role of the RCMP, prior litigation over Indigenous underrepresentation on juries, and the racially charged debate about defence of property and rural crime. Drawing on both trial transcripts and research on miscarriages of justice, Roach looks at jury selection, the controversial "hang fire" defence, how the credibility and beliefs of Indigenous witnesses were challenged on the stand, and Gerald Stanley's implicit appeals to self-defence and defence of property, as well as the decision not to appeal the acquittal. Concluding his study, Roach asks whether Prime Minister Justin Trudeau's controversial call to "do better" is possible, given similar cases since Stanley's, the difficulty of reforming the jury or the RCMP, and the combination of Indigenous underrepresentation on juries and overrepresentation among those victimized and accused of crimes. Informed and timely, Canadian Justice, Indigenous Injustice is a searing account of one case that provides valuable insight into criminal justice, racism, and the treatment of Indigenous peoples in Canada.

Princess Diana of Themyscira believes that her 16th birthday will be one of new beginnings—namely, acceptance into the warrior tribe of the Amazons. But her birthday celebrations are cut short when rafts carrying refugees break through the barrier that separates her island home from the outside world. When Diana defies the Amazons to try to bring the outsiders to safety, she finds herself swept away by the stormy sea. Cut off from everything she's ever known, Diana herself becomes a refugee in an unfamiliar land. Now Diana must survive in the world beyond Themyscira for the first time—a world that is filled with danger and injustice unlike anything she's ever experienced. With new battles to be fought and new friends to be made, she must redefine what it means to belong, to be an Amazon, and to make a difference. From New York Times bestselling author Laurie R. King and acclaimed artist Leila del Duca (Shutter), Wonder Woman: Tempest Tossed is a story about growing into your strength, fighting for justice, and finding home.
