Celia and Alice share everything - their secrets, their hopes and now their increasing horror that a killer is on the loose, abducting schoolgirls just like them. Three bodies have been found, each shrouded in hand-woven fabric. From within the depths of a police investigation, clues start to emerge. As Alice and Celia discover the truth, danger is closer than anyone knows. Who can be trusted at a time like this? "Cry Blue Murder" is a haunting and poignant psychological thriller that pushes the boundaries of trust and betrayal, from two exciting new voices in Australian young adult fiction.

Addresses the need for peer-to-peer computing and grid paradigms in delivering efficient service-oriented computing.
