"An excellent book. . . . [It] provides a unique picture of the processes of globalist institution transformation in a crucial, less developed country."—John Willoughby, American University

The dual tales of the discovery of a lost Stone Age tribe in remote Philippines, later discovered to be a possible hoax, and the making of a Vietnam War movie, overshadowed by its cast and crew's self-destructive behavior, intersect.

after the Spaniards lost to the Americans, and the Americans occupied the Philippines. The widow Ines and her friend the French seamstress Melisande solve the crime of the dead priest in the creek in order to free the son of Ines from jail. Inspired by her great-grandmother who was the first woman publisher in the Philippines, Brainard has written a character-driven novel that raises interesting and complicated questions about morality and justice while the protagonist searches for the priest's true killer. What begins as a murder mystery transforms into something greater as love, loyalty and friendship are tested and refined. Shortlisted for the Inaugural Cirilo F. Bautista Prize for the Novel, Brainard's novel is a captivating read.

Over six feet of Norse god in a tailored suit, he calculates every move and seizes my hungry breaths with an iron fist. Me. The free-spirited dancer, torn between two men with no resolution in sight. I tried leaving, staying, refusing, and surrendering. What options do I have left? I love two men, and I do the only thing I can. I fight. The TANGLED LIES series must be read in order. One is a Promise Two is a Lie Three is a War Contains: love triangle, angst, suspense, music, dance, alpha,
