"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

This book will change your life. You are playing persuasion games all the time, whether you realise it or not. "Now," for the first time, one of the world's top mentalists teaches YOU the hidden secrets of persuasion and influence that will enhance your personal, social and professional life. In this remarkable and exciting book, acclaimed mentalist and trainer Gilan Gork reveals the powerful psychology of subtle, successful persuasion that you can use on your clients, colleagues, family, friends... and even complete strangers! "Persuasion Games" explores, examines and explains the mind games of influence that are part of everyday life -- and how to win them. You will not only learn how to enhance your own powers of influence in an ethical, responsible way, but also how to protect yourself from persuasive exploitation in any form. Gilan has travelled the world to find the leading experts in influence and study their methods, including the normally private, secret realm of professional 'psychics'. Discover how many seemingly 'psychic' powers are actually persuasion techniques that anyone can learn -- including a psychological model of communication that is one of the world's best-kept secrets. Welcome to the Persuasion Games.

From the tragic young Adonis to Zašhapuna, first among goddesses, this handbook provides the most complete information available on deities from the cultures and religions of the ancient Near East, including Anatolia, Syria, Israel, Sumer, Babylonia, Assyria, and Elam. The result of nearly fifteen years of research, this handbook is more expansive and covers a wider range of sources and civilizations than any previous reference works on the topic. Arranged alphabetically, the entries range from multiple pages of information to a single line—sometimes all that we know about a given deity. Where possible, each record discusses the deity's symbolism and imagery, connecting it to the myths, rituals, and festivals described in ancient sources. Many of the entries are accompanied by illustrations that aid in understanding the iconography, and they all include references to texts in which the god or goddess is mentioned. Appropriate for both trained scholars and nonacademic readers, this book collects centuries of Near Eastern mythology into one volume. It will be an especially valuable resource for anyone interested in Assyriology, ancient religion, and the ancient Near East.

The War & Peace of golf. A quaint old classic from 1946, with an intro by the Duke of Windsor. It's good advice, and seriously, this game has hardly changed a whit in 50 years!

Brothers Francis and Johnny Billington take issue with history's account of their troublemaking ways aboard the Mayflower and in the New World, as they tell their side of the story to Standish Brewster, professor of Pilgrimage at Plymouth University.

Hotel Gwales is the eagerly anticipated new collection from award winning poet Nigel Jenkins. It is as diverse as it is rousing, featuring some eighty poems varying in length from a three-line Haiku to an extended meditation of nearly 400 lines. Welsh themes and references, ancient and modern, are interspersed with works of an undeniably international flavour to bring together this exceptional collection. From a poem commemorating the execution of a man known as the Welsh 'Braveheart' to an elegy for a Welsh bus driver, Hotel Gwales truly has something for everyone. Hotel Gwales offers Nigel Jenkins's distinctive voice at its best in his first collection of poetry in almost four years. Nigel is well known both in Wales and internationally and is a frequent performer of his work. He has previously undertaken reading tours of countries including the USA and Switzerland. His trademark experimentation with form and ability to engage with his subject is at its finest.
