Simple advice to help you to become a safe, competent and confident driver

Private Berlin has the extraordinary pace and international sophistication that has powered The Girl with the Dragon Tattoo and Patterson's #1 bestseller The Postcard Killers. IN EUROPE'S MOST DANGEROUS CITY Chris Schneider is a superstar agent at Private Berlin, Germany headquarters for the world's most powerful investigation firm. He keeps his methods secret as he tackles Private's most high-profile cases-and when Chris suddenly disappears, he becomes Private Berlin's most dangerous investigation yet. AN INVESTIGATOR IS SEARCHING Mattie Engel is another top agent at Private Berlin, gorgeous and ruthlessly determined-and she's also Chris's ex. Mattie throws herself headfirst into finding Chris, following leads to the three people Chris was investigating when he vanished: a billionaire suspected of cheating on his wife, a soccer star accused of throwing games, and a nightclub owner with ties to the Russian mob. Any one of them would surely want Chris gone-and one of them is evil enough to want him dead. AND SHE'S AFTER MORE THAN THE TRUTH Mattie's chase takes her into Berlin's most guarded, hidden, and treacherous places, revealing secrets from Chris's past that she'd never dreamed of in the time they were lovers. On the brink of a terrifying discovery, Mattie holds on to her belief in Chris-in the face of a horror that could force all of Europe to the edge of destruction and chaos. James Patterson has taken the European thriller to a masterful new level with Private Berlin, an adrenaline-charged, spectacularly violent and sexy novel with unforgettable characters of dark and complex depths. Private Berlin proves why Patterson is truly the world's #1 bestselling author.

In 1975, a baby just minutes old is taken from its devastated mother. In 2010, the gruesome corpse of a nun is found in a Dublin public park. Detective Inspector Tom Reynolds and his team are on the scene and he's convinced the murder is linked to historical events that took place in the infamous former Magdalene Laundries, institutions for "fallen women." As Reynolds and his team follow the trail to an isolated convent, everything seems perfectly normal and it seems perhaps they've followed the wrong lead. But it soon becomes disturbingly clear that the killer is amongst them and determined to exact further vengeance for the sins of the past. The walls in this closed-room mystery narrow in on Reynolds and his team as they race to stop another murder in With Our Blessing, bestselling author Jo Spain's US debut.

In this third edition of Globalization in World History, Peter Stearns explores the roots of contemporary globalization, examining shifts in the global flow of people, goods, and ideas as early as 1000 CE. Exploring how four moments in history have accelerated the process of globalization, Stearns's narrative details how factors such as economics, migration, disease transmission, culture, the environment, and politics have influenced the nature of globalization as we understand it today. This revised edition includes: Updates to the whole study with appropriate recent references; New brief transition sections that focus attention on the Mongol period, debates over the role of the eighteenth century, and the partial retreat from globalization after World War I; A new final chapter that deals with the rise in attacks on globalization during the most recent decade, from populist objections to the implications of growing authoritarianism, raising the question of whether a new transition is taking shape around us today. Through an interdisciplinary approach that links political, sociological, and historical perspectives, Stearns provides a comprehensive overview of globalization and the historical factors that have shaped it. This book will be of interest to undergraduate and postgraduate students of world history, economic history, and political economy.

This book will not only tell you how to become an Approved Driving Instructor (car) but also how to set up your own driving school.
