Prowling the seedy red-light districts, the underground club circuit and the house parties of wealthy Indonesian society, Moammar Emka offers a unique glimpse into the underbelly of modern, urban Jakarta. This is the book that took Indonesia by storm. Moammar Emka is Jakarta's answer to Carrie Bradshaw; this is “ Sex and the City ” Indonesian-style!

“ Moore, besides being laugh out loud hilarious, has a profound understanding of human nature . . . A truly remarkable writer. This book is a joy to read. ” —Fannie Flagg, author of *The Whole Town ’ s Talking* and *Fried Green Tomatoes at the Whistle Stop Cafe* “ The arrival of [Moore ’ s] new novel had me singing anything but the blues. ” —Julia Glass, National Book Award-winning author of *A House Among the Trees* and *Three Junes* From the author of the bestselling *The Supremes at Earl ’ s All-You-Can-Eat*, *The Supremes Sing the Happy Heartache Blues*, an exuberant and poignant new novel of passions, family, and forgiveness When a late life love affair blooms between Mr. Forrest Payne, the owner of the Pink Slipper Gentleman ’ s Club, and Miss Beatrice Jordan, famous for stationing herself at the edge of the club ’ s parking lot and yelling warnings of eternal damnation at the departing patrons, their wedding summons a legend to town. Mr. El Walker, the great guitar bluesman, comes home to give a command performance in Plainview, Indiana, a place he ’ d sworn—and for good reason—he ’ d never set foot in again. But El is not the only Plainview native with a hurdle to overcome. A wildly philandering husband struggles at last to prove his faithfulness to the wife he ’ s always loved. And among those in this tightly knit community who show up every Sunday after church for lunch at Earl ’ s All-You-Can-Eat, are the lifelong friends, known locally as “ The Supremes ” —Clarice, facing down her longing for, chance at and fear of a great career; Barbara Jean, grappling at last with the loss of a mother whose life humiliated both of them, and Odette, reaching toward her husband through an anger of his that she does not understand. Edward Kelsey Moore ’ s lively cast of characters, each of whom have surmounted serious trouble and come into love, need not learn how to survive but how, fully, to live. And they do, every one of them, serenaded by the bittersweet and unforgettable blues song El Walker plays, born of his own great loss and love.

A wry, affecting tale set in a small town on the Indonesian coast, *Man Tiger* tells the story of two interlinked and tormented families and of Margio, a young man ordinary in all particulars except that he conceals within himself a supernatural female white tiger. The inequities and betrayals of family life coalesce around and torment this magical being. An explosive act of violence follows, and its mysterious cause is unraveled as events progress toward a heartbreaking revelation. Lyrical and bawdy, experimental and political, this extraordinary novel announces the arrival of a powerful new voice on the global literary stage.

A unique Indonesian-English dictionary in full colour exclusively designed for English-speaking learners, teachers of Indonesian and Indonesians who wish to improve their English.

Chip Honeycutt has a girly name. Thats not the problem; his real problem is hiding the fact that his family owns a bakery. And that he LOVES to bake. What will happen when a new guy comes along and finds out his secret? Will he tell everyone? Or will he keep it?

Sometimes, one must accomplish the impossible. Beneath the mountain, the king ’ s reign of tyranny is absolute; the one troll with the capacity to challenge him is imprisoned for treason. Cé cile has escaped the darkness of Trollus, but she learns all too quickly that she is not beyond the reach of the king ’ s power. Or his manipulation. Recovered from her injuries, she now lives with her mother in Trianon and graces the opera stage every night. But by day she searches for the witch who has eluded the trolls for five hundred years. Whether she succeeds or fails, the costs to those she cares about will be high. To find Anushka, she must delve into magic that is both dark and deadly. But the witch is a clever creature. And Cé cile might not just be the hunter. She might also be the hunted...

An offensive, in-your-face, brutally honest and completely hilarious look at male inner life and sexual fantasy. In the course of this hilariously honest book, our narrator suffers through a relationship with his vapid wannabe-actress girlfriend until he finds the perfect girl. But when he moves into the new relationship, he slowly learns that all women are pretty much the same, that man's true desires will never be fulfilled, and the decision between living life alone or biting the marriage bullet must be made. Includes an excerpt from the forthcoming sequel *The Average American Marriage*.
