Milady has evolved for over 85 years to become what it is today, the cornerstone of beauty and wellness education. We are very excited and proud to announce the latest edition of Milady Standard Cosmetology, the most commonly

Online Library Infection

used resource in
cosmetology education.
For decades since our
first textbook published,
it has been our
commitment to provide
students with the
foundation in the
principles and skills
needed to master the
science and art of
cosmetology, and with
this latest version that
commitment has not

Online Library Infection

waivered. For the new edition, celebrity stylist Ted Gibson served as Creative Director on the project. The result is a brilliant new design with over 750 new photos and a gorgeous layout, providing a visually stunning resource to engage today's learner. We also recruited a team of twelve authors, made up

Online Library Infection

of top professionals and educators in the industry, to provide the most current information on concepts and techniques. During our extensive peer review and development process, we were asked for a resource that placed emphasis on essential content needed for licensure success, and we feel confident

Online Library Infection

that we delivered.

Milady Standard
Cosmetology will

continue to be a source
of education that
students can count on,
not only while in school,
but throughout their
careers. Important
