If you are a family or educator with a toddler or young child then you have come to the right place. This book will teach you how to convert play and everyday routines into activities that are both fun AND beneficial for a child's speech and language development. With little tweaks to your interactions and the everyday routines you are already engaging in, you can increase opportunities for learning and growth for your child. This best part is it's not a lot of extra work. In the *Playing With Purpose* book you will learn: The basics of language development Why play is important for a child's growth in the early years How children learn during play and familiar routines Tips for boosting speech and language skills during play Tips for boosting speech and language skills in everyday activities
