Best-selling author and spiritual teacher Pema Chödrön shares life-changing practices for living with wisdom, confidence, and integrity amidst confusing situations and uncertain times. We live in difficult times. Life so often seems like a turbulent river threatening to drown us and destroy our world. Why, then, shouldn't we cling to the certainty of the comfortable—to our deep-seated habits and familiar ways? Because, Pema Chödrön teaches, that kind of fear-based clinging keeps us from the infinitely more powerful experience of being fully alive. The teachings she presents here—known as the " Three Commitments "—provide a treasure trove of wisdom for learning to step right into the unknown, to completely and fearlessly embrace the groundlessness of being human. When we do, we begin to see not only how much better it feels to live an openhearted life, but we find that we begin to naturally and more effectively reach out to help and heal all those around us.

The " down-to-earth, unsentimental, [and] high-humored " Pema Chödrön classic on learning to face our lives just as they are (Los Angeles Times) It's true, as they say, that we can only love others when we first love ourselves—and we can only experience real joy when we stop running from pain. The key to understanding these truisms is simple but not easy: we must learn to open ourselves up to life in all its manifestations. Here, spiritual teacher and When Things Fall Apart author Pema Chödrön presents a uniquely practical approach to doing just that, showing us the true value in having " no escape " from the ups and downs of life. Drawing from her own experiences with marriage, divorce, motherhood, and more, Pema reveals that when we embrace the happiness and heartache, the inspiration and confusion—all the twists and turns that are part of natural life—we can begin to discover a true wellspring of courageous love that " s been within our hearts all along. As she writes in chapter four: " Our neurosis and our wisdom are made out of the same material. If you throw out your neurosis, you also throw out your wisdom."

Sharing never-before told personal stories from her remarkable life, simple and powerful everyday practices, and directly relatable advice, Pema encourages us all to become triumphant bodhisattvas—compassionate beings—in times of hardship. Welcoming the Unwelcome includes teachings on the true meaning of karma, recognizing the basic goodness in ourselves and the people we share our lives with—even the most challenging ones, transforming adversity into opportunities for growth, and freeing ourselves from the empty and illusory labels that separate us. Pema also provides step-by-step guides to a basic sitting meditation and a compassion meditation that anyone can use to bring light to the darkness we face, wherever and whatever it may be.
